ABOUT UNiHOX

From Spaces to Smart Spaces.

UNiHOX is an integrated solutions company specializing in interiors, home automation, professional electrical services and advanced security systems.

We combine design, technology and expertise to create spaces that are beautiful, functional, connected and future-ready.

Our mission is simple — to deliver high-quality solutions with transparency, reliability and a strong commitment to customer satisfaction.

OUR VALUES

QUALITY

We use quality products and follow professional installation practices.

CUSTOMER FIRST

Customer satisfaction is at the heart of everything we do.

INNOVATION

We bring the latest technology and creative ideas to every project.

INTEGRITY

Honest communication and transparent processes.

SUPPORT

Reliable after-sales support and long-term relationships.

UNiHOX
